Step 11: The students answer a multiple-choice question in Nearpod.

Step 12: The teacher present additional information about Hyde Park 1 slide.

Step 13: The students answer a multiple-choice question in Nearpod.

Step 14: Reflection: 1 slide The students answer the question if they liked the whole experience

**Evaluation**

Discussion of the results, looking at the Statistics section in Nearpod.

Nearpod gives the opportunity to check the students' understanding after 1, 2 or 3 slides and then to continue with presentation in this way the teacher is sure that during the online lesson the students listen and follow the teacher carefully.
